Student Assignments

Once you have a complete roster of students attending the trip, make sure to assign them to a cabin, a field group for activities, and a table in the dining hall. Remember, Cabins on the Wapalanne Campus hold 12 students and 2 adults, while Lenape Lodge on the Sequoya Campus holds 40 students and 4 adults in each wing. In the dining halls, each table seats 12. The number of field groups are determined by the Coordinator of the visiting school and the Program Coordinator at the NJSOC.
