

MONTCLAIR STATE UNIVERSITY
Office of the Registrar
DISSERTATION ADVISEMENT APPLICATION

Regulations: Students may register for dissertation credit in the semester after they have advanced to candidacy. In special cases students may register for dissertation credit prior to advancing to candidacy with approval of the Students Advisor and Doctoral Program Director. Students must register for a minimum of 3 semester hours of dissertation credit each semester while working on their dissertation (Also see policy on continuous Enrollment and Admission to Doctoral Candidacy).

PROCEDURE: A student must complete this form and receive approval by the Dissertation Advisor, the Department Chair of the Dissertation Advisor and Program Director.

When approved, all five parts of this form must be submitted during a prescribed registration period. The Office of the Registrar will give the student a copy and will distribute copies to the Department for the Chairperson's, faculty member's and Program Director's files.
