

## Galileoscope Pre-Order Form

Your name:	
Your institution and country:	
Your e-mail address:	
Your phone number:	
Estimated number of Galileoscopes:	
Number of additional logos : (e.g. National Sponsor)	
Desired placement of logos:	<input type="checkbox"/> On the box <input type="checkbox"/> On the tube
Possible interest in ordering tripods	<input type="checkbox"/> Yes <input type="checkbox"/> No
Possible interest in ordering solar filters	<input type="checkbox"/> Yes <input type="checkbox"/> No

Please e-mail this form by June 30, 2008 to

[iya2009@eso.org](mailto:iya2009@eso.org) or fax it to +49 89 320 06 (if 100 telescopes or more)  
Or to Stephen Pompea ([spompea@noao.edu](mailto:spompea@noao.edu)) (if 99 or fewer telescopes)

This is a pre-order only, **not a final binding commercial contract** on either side.

There is the option to have one or more **sponsor logos** placed on the telescope next to the IYA2009 and the Galileoscope logos, at an additional cost to be determined.

We are investigating a bulk order for a stable but **affordable tripod and a safe aperture-end solar filter**. Please indicate if you think you might be interested in these optional extras for your Galileoscopes.

### Galileoscope Specifications (subject to change):

- Plastic tube
- Glass doublet objective, 50 mm aperture
- Magnification: ~45x
- Field-of-view: ~1.5 degrees
